

Benefits of joining our memberships

Our dental memberships encourage regular visits to maintain healthy teeth and gums for life, identifying potential issues early to prevent costly treatments. By becoming a member, you can spread the cost of routine care through affordable monthly Direct Debit payments. You are guaranteed:

Dental health examinations: Comprehensive oral health checks, including X-rays where needed and routine oral cancer screening.

Hygiene appointments: Professional plaque removal with tailored advice to help prevent decay and gum disease.

Global Dental A & E Scheme enrolment: Access to support for dental treatment following accidents or emergencies.

Preferential fees & benefits: Enjoy discounted routine treatments and extended appointment times. Ask the team for full benefit details.

Your membership includes 30-minute hygiene appointments. Should you require a longer visit, this can be booked by paying the difference, with your membership discount applied. Any advanced or more extensive hygienist treatment falls outside the plan and is charged separately.

	Full Membership	Enhanced Membership
Number of dental examinations per year	2	2
Number of hygiene appointments per year	2	4
Routine x-rays included	✓	✓
Cost per month	£23.36	£36.53

How do I join a membership?

You can enrol onto one of our membership plans after attending & paying for your initial new patient examination and hygiene appointment, where our clinicians will advise on the most suitable plan for you. Membership is available once you have been deemed dentally fit. Please speak to a member of our reception team for further information.
